**Invitation: analyst and investor conference**

---

---

**Leclanché SA 2011 Financial Results to be announced on  
Tuesday March 20<sup>th</sup> 2012**

**Yverdon-les-Bains, 13 March 2012-** Leclanché S.A. (SIX Swiss Exchange : LECN), specialized in the production of large-format lithium-ion cells and energy storage solutions, will discuss its full-year 2011 financial results and achievements during **an analyst and investor meeting taking place on Tuesday March 20<sup>th</sup> 2012 in Zurich**. The company will also provide a strategic business update on its expansion plans.

Leclanché's strategy is to expand its position as one of the leading European lithium-ion cell producers and solution providers for lithium-ion energy storage systems for the storage of renewable energy in Europe. The company's priority is on stationary home residential energy storage applications and on expanding into the stationary industrial and grid storage markets.

Place: Steigenberger Bellerive au Lac, Utoquai 47, 8008 Zürich  
Date: Tuesday March 20<sup>th</sup>, 2012  
Time: 14:15 CET  
Speakers: Ulrich Ehmes, CEO  
Robert Feij, CFO  
Pierre Blanc, CTO

In addition, **a live audio webcast** of the meeting will be accessible on the Leclanché web site: [www.leclanche.ch](http://www.leclanche.ch). A replay of this teleconference will be made available one hour after the conference, on the Leclanché web site.

Analyst and investors wishing to ask questions during the conference are invited to call at 14:15 CET (13:15 GMT/ 8:15 EST) using the following conference-ID: 4523912 and one of the following dial-in numbers:

- Switzerland: +41 (0) 225927312
- UK: +44-207-153-2027
- USA: +1-480-629-9673

We would be grateful if you **could confirm your participation** in the meeting or the conference call by sending back the attached reply form to the attention of Chiara Valsangiacomo ([cva@dynamicsgroup.ch](mailto:cva@dynamicsgroup.ch); T: +41 22 738 62 33, F: +41 22 308 62 36)

**About Leclanché**

Leclanché is a leading manufacturer in Europe of large-format lithium-ion cells. Through a unique, licensed separator technology, the core element of lithium-ion cells, Leclanché is capable of manufacturing cells with above-average safety features and significantly increased longevity in an automated production process. The company's core markets are market segments, which have highest demands on energy storage systems. They include residential and industrial energy storage applications as well as grid storage markets. Leclanché currently employs 120 staff and recorded revenues of CHF 15.1 million in 2010. The company is headquartered in Yverdon-les-Bains (Switzerland) and has production and development facilities located in Willstätt (Germany). Leclanché is listed on the SIX Swiss Exchange (LECN).
